Serving with Joy

Haiti is a country in crisis where things change rapidly and have gone from bad to worse these past few months. The effects of gang violence, political upheaval and the absence of basic necessities are realities for those we serve in the rural community of Terre Blanche.

“Despite everything, we are serving with joy.”

Pastor
Delamy

Due to security concerns in Haiti, HFH has not been able to send teams since March 2019. We miss the opportunity to work alongside our friends but the work continues as our partners are serving with joy.

CLINIC AND COMMUNITY HEALTH

In addition to providing medical care to all who come to the Clinic of Hope, the medical staff is reaching out to those unable to come to the clinic. They have accompanied Community Health volunteers and made home visits in hard to reach areas to screen for hypertension, diabetes and other medical concerns.

SCHOOLS

The national schools have not opened due to the safety issues. However, the Terre Blanche school is open with a modified curriculum until all teachers and students can safely return. Lunches, which mean so much to growing children, are served to all who come and help parents stretch their food resources.

CHURCH

The Church is active and people are seeking answers during these difficult days. Mme. Elius leads morning prayers that are called a "spiritual cup of coffee" – what a joyful way to start the day! Pastor Delamy leads a weekly Bible study outside the clinic. He mentors and models how to serve with joy as he invites youth to share verses or something from the heart.

MISSION STATEMENT

Haiti Foundation of Hope is a Christian organization addressing the physical, emotional and spiritual needs of the people in the impoverished and underserved rural communities of northern Haiti.

MAKE A DIFFERENCE

Please consider supporting Haiti Foundation of Hope by making a purchase through our Gift Catalog. You can support teachers, medical staff, purchase food for those in need, and more.

To learn more about our Gift Catalog or make an end-of-year donation, go to haitifoundationofhope.org.

Learn more about Haiti Foundation of Hope and sign up to receive newsletters by email at haitifoundationofhope.org.

Haiti Foundation of Hope is a 501(c)3 entity. All donations are tax deductible.

THANK YOU FOR MAKING A DIFFERENCE

Your continued generosity makes life-saving differences for so many Haitians whom you may never meet. We thank God and you for this partnership!

This past year, the HFH board has been called upon to make decisions that affect the continuity of medical staffing and care during the past few months and we have seen the Lord provide every time!

In July, the Clinic of Hope was supplied with new solar batteries to keep the doors open and medical equipment functioning when there was no diesel fuel available and the old batteries failed. We rejoice for the ways we see God providing in miraculous ways in the midst of these very difficult times.

We are thankful for God's continued love and grace poured out on this ministry and for your partnership with Haiti Foundation of Hope.

"Praise the Lord for supporters of HFH who continue to bless people in Haiti." ~ Pastor Delamy

Merry Christmas from all of us at HFH
