

Haiti is going through one of its most challenging times due to political unrest, gang violence, and gas and food shortages. Despite the difficulties, we still see HOPE.

In Terre Blanche, the CLINIC of Hope remains open. Community HEALTH VOLUNTEERS make home visits to encourage their neighbors. The SCHOOL remains open as much as possible and children continue to come for LUNCHES.

You can HELP this work by purchasing a gift or making a donation to Haiti Foundation of Hope.

This 2024 GIFT CATALOG can be used to purchase gifts as a year-end donation, in honor of a friend or family member, or in memory of someone. Completed order forms can be returned along with a check, or you can make purchases online at haitifoundationofhope.org.

THANK YOU to those who already give and to those who continue to pray.
