

This gift catalog shows the heart of Haiti Foundation of Hope and the ministries we focus on with our in-country partners.

Even as Haiti continues to experience political unrest, gang violence, and gas and food shortages, we see hope.

In Terre Blanche, the Clinic of Hope, Markee Maternity Center, Women's Trade School and the pre-k through grade 12 school are open. Students enjoy a daily lunch. Community health volunteers make home visits.

You can help this work by purchasing a gift or making a donation to Haiti Foundation of Hope.

This 2026 Gift Catalog can be used to purchase gifts as a year-end donation, in honor of a friend or family member, or in memory of someone. Completed order forms can be returned along with a check, or you can make purchases online at haitifoundationofhope.org.

THANK YOU to those who already give and to those who continue to pray.
