2011/2012

Dear Friends,

Thank you for your interest in helping the people of **Haiti**.

This coming year will mark the fifth year for the **Clinic of Hope**, located in Terre Blanche, a remote village in Haiti. Since its opening, thousands of patients have been seen by visiting medical teams from the United States and by the **Haitian staff** who work at the clinic throughout the year. We have also expanded the clinic, **building an annex**, to create more space for patient treatment and offices.

Haiti Foundation of Hope is committed to meeting the physical, emotional and spiritual needs of the people in the impoverished and underserved rural communities of northern Haiti. Our work cannot be done without **support from you**.

You can use this **2011/2012 Gift Catalog** to purchase gifts as a year-end donation, give a gift in honor of a friend or family member, or in memory of someone.

Completed order forms can be returned along with a check payable to Haiti Foundation of Hope. You can also make your purchases online at www.haitifoundationofhope.org.

Thank you to those who already give to the work of Haiti Foundation of Hope and to those who continue to pray for Haiti. **You are making a difference.**

Sincerely,

The Board of Haiti Foundation of Hope
