Give the gift of hope and help those living in Haiti.

Dear Friends,

Thank you for helping the people of Haiti.

Life in Haiti is difficult, and we are seeing more struggles and hunger due to reoccurring cycles of drought and flooding. But even with these challenges, we have hope as we partner with Haitians in the areas of health, education, economic development and spiritual encouragement.

Haiti Foundation of Hope is committed to meeting the physical, emotional and spiritual needs of the people in the impoverished and underserved rural communities of northern Haiti. Our work cannot be done without your help.

You can use this 2012/2013 Gift Catalog to purchase gifts as a year-end donation, in honor of a friend or family member, or in memory of someone.

Completed order forms can be returned along with a check payable to Haiti Foundation of Hope, or you can make purchases online at haitifoundationofhope.org.

Thank you to those who already give to the work of Haiti Foundation of Hope and to those who continue to pray for Haiti.

You are making a difference.

Sincerely,

The Board of Haiti Foundation of Hope
