Dear Friends,

Thank you for being a part of Haiti Foundation of Hope! At the end of the year, we look back and see the many things that have been accomplished and are appreciative of your participation. We remain committed to our partners in Haiti and rely on you to keep our partnership strong. Much has been accomplished in Haiti, yet much remains to be done.

## **SOME 2015 HIGHLIGHTS**

**10<sup>TH</sup> ANNIVERSARY!** – We celebrate ten years as a non-profit organization this year!

**COMMUNITY HEALTH** – A midwife has strengthened the clinic and community health program. An annual survey recently revealed that a number of improvements have been made in health and education due to the Community Health Program. Some of these improvements are greater knowledge of HIV and tuberculosis, higher vaccination rates, decreased malnutrition, and better prenatal and antenatal care.

**AGRICULTURE** – A drip irrigation system has been introduced in Terre Blanche, which allows for crops to grow despite drought conditions.

**SCHOOL** – A student, Abel Joseph, has completed his education at Terre Blanche and is now the first from the area to consider going to college.

**CLINIC** – A surgery room has been completed and is equipped with an air conditioner, making it possible for a visiting Haitian ophthalmologist to do 14 cataract surgeries in one day. Our 5<sup>th</sup> annual Medical Conference drew 115 attendees from many parts of Haiti. There are over 50,000 registered patients and 97,000 total visits to the clinic in 8 years.

**ECONOMIC** – Local women of Terre Blanche are making jewelry and selling it on their own.

## **ONGOING FINANCIAL NEEDS**

**STAFF SUPPORT** – Additional staff support is needed for the school and clinic.

**FOOD** – Rice and beans are needed to continue the school lunch program that provides daily lunches to every student.

## **PLEASE JOIN US**

You will find enclosed with this letter the 2015/2016 Haiti Foundation of Hope Gift Catalog and Order Form. You may use the Gift Catalog to purchase items, such as food, or to support individuals, such as a student, teacher or medical clinic staff. You can purchase gifts as a year-end donation, in honor of a friend or family member or in memory of someone. Completed Order Forms can be returned in the provided envelope along with a check payable to Haiti Foundation of Hope. Orders can also be made online at [www.haitifoundationofhope.org](http://www.haitifoundationofhope.org).

We encourage regular donors to use this opportunity to give an additional gift this holiday season and for others to consider a first-time donation. You may find projects or people you wish to support all year long.

Sincerely,

Larry Moore  
Board Chairman, Haiti Foundation of Hope

*Dear Friends,*

**Thank you** for helping in Haiti. We continue to see hope in Terre Blanche and the surrounding villages: children go to school, mothers meet in support groups, families benefit from micro-loans, medical care is provided daily at the clinic, and community health volunteers are active. Many of these programs are not possible without financial support from people like you.

While we are encouraged by all the positive activities and progress, we recognize that many people continue to struggle with hunger, illness and unemployment.

Haiti Foundation of Hope is committed to meeting the physical, emotional and spiritual needs of the people in the impoverished and underserved rural communities of northern Haiti.

This **2015/2016 Gift Catalog** can be used to purchase gifts as a year-end donation, in honor of a friend or family member, or in memory of someone. Completed order forms can be returned along with a check, or you can make purchases online at [www.haitifoundationofhope.org](http://www.haitifoundationofhope.org).

Thank you to those who already give and to those who continue to pray.

Sincerely,

*The Board of Haiti Foundation of Hope*
