## Looking Ahead With Hope

Construction is under way on the new tuberculosis clinic in Terre Blanche. This will allow patients to be treated near their homes instead of traveling.

The 9th annual Medical Conference will be held in March 2019 in Terre Blanche. Over the past eight years, more than 40 medical topics have been presented by both American and Haitian colleagues. We look forward to another exciting conference.

### MISSION STATEMENT

Haiti Foundation of Hope is a Christian organization addressing the physical, emotional and spiritual needs of the people in the impoverished and underserved rural communities of northern Haiti.

### YOU CAN HELP

Would you consider making an end-of-year donation to Haiti Foundation of Hope? Any amount you give makes a difference.

To learn more about the different ways you can give or to make a donation, go online to [haitifoundationofhope.org](http://haitifoundationofhope.org).

School in Terre Blanche is busy as ever with nearly 1,000 students.

The Clinic of Hope continues to see patients daily as well as host visiting medical teams. Community health volunteers work among their neighbors to educate and provide hope.
