### HOW WE HELP

**Clinic of Hope** – A permanent medical clinic staffed by Haitians.

**Education** – Primary and secondary schools for about 1,000 students.

**Community Health** – Trained volunteers helping their neighbors.

**Nutrition** – Daily lunches for students and food for those in need.

*Emmanuel! Emmanuel! God is with us. He will never give up on His people.*

*As all of you know, Haiti is in a locked down situation since mid-September. Myself and the staff of the Clinic of Hope are locked here in Terre Blanche. Despite the situation of the country now, our service in Terre Blanche has not stopped because of you through HFH.*

*Thank you very much for everything. We could not be where we are without you. I know that you are heartbroken over the actual situation of Haiti. We continue to covet your prayers. We all realize that without a Divine intervention, there is not a way out.*

*He is with you and with us! May God continue to richly bless you!  
Merry Christmas to all of you!*

*Truly, Delamy*

## MAKE A DIFFERENCE THIS HOLIDAY SEASON

Each time we hear testimony of God's servants choosing to be a light in dark places, our faith is strengthened.

This is true when we receive news of our Haitian brothers and sisters serving their community in this difficult time.

And this is true when we witness the response of HFH's generous supporters. Thank you for praying, fasting and giving on behalf of those in need. We are so grateful for your partnership!

While we hope for a resolution soon to the current difficulties in Haiti, we are aware that life will still have its challenges.

Would you consider becoming a regular donor or increasing your giving to HFH? Any gift is greatly appreciated and will be used for God's work in Terre Blanche.

As the holiday season is upon us, please consider sharing a gift with those in Haiti.

Sincerely,

The HFH Board Members
